### The big picture (9-12 Months)

- ☐ Set a date
- ☐ Finalize the venue
- ☐ Start leafing through various wedding magazines for ideas on themes, attire, make up etc.
- ☐ Start a fitness regime, in case you aren't following one
- ☐ Draw an initial guest list
- ☐ Explore honeymoon destinations

### The Details (6-10 Months)

- ☐ Book the photographer. Discuss pre-wedding & wedding theme ideas
- ☐ If you pick an international destination for honeymoon, start looking for visa requirements, check passport expiry, make an itinerary
- ☐ Finalize the beautician and decide on trial dates for hairdo and make-up
- ☐ Start your pre-bridal regime. If you would cream, now is the time

### The Logistics (3-6 Months)

- ☐ Order wedding invites and any other stationery you would need for the wedding day, based on the theme
- ☐ Sit down with the pandit and discuss all the rituals
- ☐ The time is now to book your honeymoon tickets, once you have fulfilled the visa and medical requirements, if any
- ☐ Make hotel bookings for the guests
- ☐ Hire a choreographer, if you are planning on staged performances

### The Nitty Gritty (7 Months)

- ☐ Get a final guest count & send out invitations
- ☐ Go for dress rehearsals. You will have time on hand in case it requires alterations
- ☐ Pick the wedding rings or order for them, if you want them customized
- ☐ Finalize on the logistics
- ☐ Finalize on the details for sangeet & mehendi function – think songs, attire, food arrangements, rituals
- ☐ Pick gifts for the wedding guests

### Couple of Days Before

- ☐ Make sure you have all the things that you require to transform into a gorgeous bride
- ☐ Pack an overnight bag
- ☐ Pack for your honeymoon
- ☐ Visit your regular spa – do not try any new place or treatment
- ☐ Get a final confirmation for all the arrangements, logistics, dress rehearsals
- ☐ Get your beauty sleep
